Morgon le Py 2013

From the slopes of Côte de Py, this is a solid, powerful wine with dark tannins and a firm, still young structure. Cherry and plum fruits give weight. It's still developing, so don't drink before 2016.

Morgon Hiver Gourmand 2013

This serious, solid wine has all the structure of Morgon with its firm, mineral texture. Rich and full-bodied, it's packed with dark plum and blackberry fruits as well as firm, ageworthy tannins. Drink from 2015.

Chiroubles Eté Fleuri 2013

This shows a more serious side to Gamay. Black cherry and plum fruits are sustained by firm tannins and tight, mineral acidity. It needs a few months to develop. Drink from 2015.
